## Yearbook Dedication

## Mrs. Kelley McKnight

The 2008-2009 yearbook is dedicated to Mrs. Kelley McKnight. After sixteen years of teaching at HHS, she has inspired fellow staff and students alike. She is married to Mr. Homer McKnight and is a mother of two, Blakeney and Trey. She is a graduate of Long Beach High School and received her bachelor's degree from Southeastern Louisiana University.

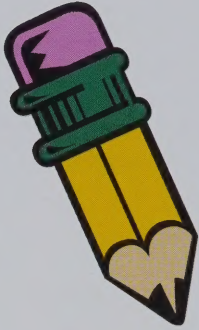

This year the students of Hancock High School nominated teachers they considered worthy of a yearbook dedication. On the nomination sheet were qualities that a nominated teacher should possess; they included responsibility, dedication, leadership, involvement, compassion, and hawk pride. "She shows all of the qualities; she is just an all around great teacher," remarks one student. When the HHS student body was asked why Mrs. McKnight deserved the yearbook dedication, several responded by saying things like "she's always involved in school events" and "she always tries to help us in any way." However, it's not just the student body's lives she has touched but also her colleagues. "When you think of all the obstacles in her life, she still has the highest integrity and character that most people ever dream of having," says one of her peers.

I am proud to be able to call this wonderful, influential woman, my mother. She inspires me to follow my dreams and strive for my best with a positive attitude. Though she would never boast so, she more than deserves this honor considering her dedication and love for this school. To call her my hero is an understatement and I am so thankful to not only have her as such a positive role model, but also as one of the best friends I could ever ask for. I love you Mom! Congratulations.

Love, Blakeney

Dear Class of '09,

WOW! We made it. Every year we've seen the seniors graduating, and it's finally our turn. No matter where we go and what we do we'll always know that the memories we made in Hancock will always be with us. Freshmen year came in like a hurricane as we all grew a little closer. As sophomores, we finally got a taste of what high school was really all about - and we loved it! When we were juniors we made as many memories as we could and looked forward to becoming seniors. With senior ~~time~~ year came important decisions, a winning football team, snow, and many good-byes. Even though we have loved high school, there comes a time to move on. So to the underclassmen - good luck. To our parents and our teachers - thank you. And to our graduating class of 2009...

IT'S TIME!

Love always,

Katie, Ashley, Melissa, Maci

"Just live ya life."

**Katie Wilson**

Pink lemonade, speech musicals, looking like a paper, sun pipes, butterflies, B-team, family nights, to-do lists, remembering this moment, armadillos, making an I.M.P.A.C.T, Laura's wisdom, Melissa's trust, Momma's support, Daddy's advice, code names, and blessings.

"I like the world, and I think you should too"  
-Katie Wilson, age 7

## Melissa Wilson

Loving, laughing, stars, making an I.M.P.A.C.T, cold soccer nights, movies with Brandi, Tess, daisies, endless gum, Tyler's curls, and both kinds of life.

"It is still best to be honest and truthful, to be happy with simple pleasures, and to have courage when things go wrong."  
-Laura Ingalls Wilder

## Jessica Winkelman

Weekends with Katie, being on the beach with Dakota, keeping secrets from mom, riding 4 wheelers with Allie and making it home before curfew.

"Love, laugh, live"

## John Dean Wright

Laughs and talks with Devin, breaks with Alicia, Whit rides, BK with the guys, staying with Joey, my doodles, music, Hattiesburg nights with Cody, screams with Jay, dancing with Nicki, cat girl games.

"Things are what they seem as we stand at the edge of the world."  
-Spill Canvas (17)

## Steven Young

My family and friends, the BP, Wednesday nights with my grandpaw, getting my truck unstuck, huntin and fishing with my dad, Uncle Joe's, Pestage, Friday nights with wise ol' Bud, and most importantly, sleeping.

"A conclusion is simply the place where someone got tired of thinking."

"That's what I'm talking about."

## John Bankston

Playing football and other sports, partying and hunting, going out with the love of my life Brittney Gurilly, the best thing that has happened to me.

## Eamonn Mehaffey

Magical pasta monsters, equestrian weekends, the midnight hour, Ms. Amanda Lovelace, math jokes, puns, irony, nihilism, dancing, Joycean scholars, blue-ish thunder, the banjo, long walks on the beach, and everything in between!

"Listen; there's a heck of a universe next door: Let's go."  
-E.E. Cummings

"Don't try, just do it."

**Colton Ladner**

Hanging out with my friends, having a good time, playing games, and learning about technology.

"Life is what happens to you while you're working for your future. You only live once, but if you work it right, once is enough."

"Great works are performed, not by strength, but by perseverance."

Dear Class Of 2011,

It has truly been an honor for us, your class officers, to serve a grade as spectacular as you. Together as a class, we stand unstoppable and we are destined for greatness. Through the good and bad times this year, memories were made that will never be forgotten. From being the timid freshman to the victorious homecoming champs, there is nothing that can not achieve. We also want to congratulate you on your hard work and perseverance not only in the classroom but in your extra curricular and athletic activities. There are many things that separate that class of 2011 from all the rest, but the one thing that makes us stand out from them is our amazing bond. If we stand together and remain united we will be able to overcome anything that stands in the way of us walking across that stage in May of 2011. So keep your heads high and strive for the best because in the end it's all going to be worth it.

Love,

Dear Class Of 2012,

As the freshman class of Hancock High School, we can here feeling intimidated. We walked into the path of a new level of schooling, thinking that the classes would be extremely hard, as well as the teachers. Yet we knew that it would be more free. Coming from the confinement of passage on only one side of the hallway to the choice of our own routes to class has been a great step for us all.

With the 2008-2009 school year quickly ending, there are many memories that we have. From the football games and intramurals to theatrical plays and from homecoming to clubs and AP classes. At the beginning of the year many of us had found out that football games were great way to hang out friends and also support our school team; we have grown to enjoy them. So many of us have loved the idea of intramurals and we hope they continue. Theatre has been a great opportunity for some of us who enjoy acting. Homecoming was something that we have never seen in our previous years of school. It was the most fun thing that happened this year for many of us and we can't wait until it comes again. Many of us freshman have enjoyed clubs to the fullest extent. Others of us were in AP classes and found a new, hard, but intelligent meaning to school.

We intend to come back next year as sophomores with a more confident attitude toward school. We have a great class and we know that we can accomplish much. Many of us are willing to contribute to our academic possibilities. We are ready to have more fun with school activities, while maintaining a great school spirit. We are ready to move forward as the class of 2012.

Sincerely,

Trey Vernaci, Freshman Class President

## Melissa Wilson

Melissa Wilson has been a member of Student Council, Beta Club, and FCA leadership for her past four years of high school. She played Hancock soccer her junior year and was named captain her senior year. She has maintained honor roll throughout high school and has been the Class of 2009 class secretary her sophomore, junior, and senior years. She has been in National Honor Society for two years and Spanish Honor Society for three years. She also dances on The Dance Company's competition team, IMPACT. Melissa's favorite high school memories include Homecoming weeks, finally winning a football game, soccer and being a senior. After graduation, Melissa will attend Mississippi State University to major in biomedical engineering. She would like to thank her teachers for their hard work in getting her ready for life. She also thanks her parents and friends for always supporting her in everything she does. Her advice to the underclassmen is to relax but still work hard. It will pay off soon.

Steven plays an active role in his school and community. In school, Steven is a four-year member and trombone section leader of the band, a four-year member and team captain of the swim team, a two-year member and treasurer of the Beta Club, and a one-year member of the National Honors Society. He has been awarded for academic achievement in Geometry Honors, Biology I, Physics I, and Physics II. He placed in the top three percentile in mathematics at the Mississippi College Math and Science Competition and third in the mathematics competition at the 2009 Mississippi Beta Convention. In his community, he is a ten-year member of the Diamondhead Swim team in which he now primarily acts as a volunteer assistant coach teaching children how to swim. He is also an intern at the Joint Airborne Lidar Bathymetry Technical Center of Expertise (JALBTCX) located at the Stennis Airport. Steven plans to attend Rice University, MIT, or USM to pursue a career in physics. His biggest lesson learned is: DON'T PROCRASTINATE and sleep when sleep is needed.

## Steven Kirkup

## Katie Wilson

Katie Wilson has been an active four-year member of Student Council, history and government, speech, newspaper, FCA, and news team. She currently serves as newspaper editor, senior class president, and student council president, and speech captain. Katie has also participated in Beta Club and National Honor Society the past two years, as well as participating in Tennis, Cross Country, and Track. Katie has maintained superintendent and principal's honor roll throughout her four years in high school. Outside of school, Katie loves being the chaplain of the Dance Company IMPACT team. Next year, Katie is looking forward to attending Millsaps College in Jackson, with an undecided major. While at Hancock, Katie has loved homecoming week, speech competitions, winning football games, the snow day, creating newspapers and being an "overachiever." She wants to thank her teachers for their patience (particularly math) and compassion, and her parents and mentors for always answering her questions. She urges the underclassmen to enjoy every moment, to try their best, to get involved, and to be proud to be a student at HHS.

## Jonathon Necaise

Jonathon Necaise is a National Thespian and was named by the Mississippi Theatre Association as Southern Mississippi's Best Supporting Actor. He was also chosen by his Beta Club sponsors as Beta of the Month for October 2007 and by his thespian peers as Best Supporting Actor and Crowd Pleaser for Hancock Theatre's 2007-2008 school year. Other awards Jonathon has received include academic awards in Biology I, World History, and Oral Communication, an All-Star Cast Medal at the 2009 MTA competition, and 6th place in English at the 2009 Beta Convention. Jonathon has been active in Hancock's clubs since his freshman year, being a part of the Drama Club/Thespian Honor Society, Fellowship of Christian Athletes, Beta Club, Forensics/Speech and Debate, History and Government, Morning News Team, French Club, Student Council, and Teens With a Cause. He plans to attend The University of Southern Mississippi to earn a degree in acting and then further his education at The American Academy of Dramatic Arts. When asked to give advice to the underclassmen he said, "Take every opportunity presented and don't take simplicity for granted."

Ashley Bryan

Ashley Bryan is senior vice president and is involved in clubs like Beta, National Honor Society, National Spanish Honor Society, and theater. She is also a member of the Dance Company's IMPACT competition team. When she graduates she plans to attend the University of Southern Mississippi where she will major in forensics and minor in dance.

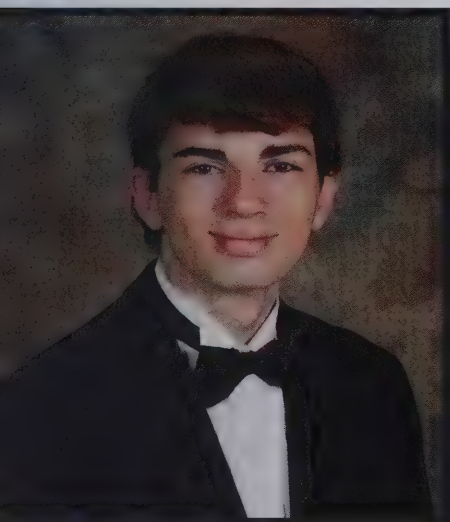

Kimberly Sawyer

Kimberly has been active in many clubs including Beta Club, National Honor Society, National Spanish Honor Society, Science Club, History and Government Club, and the Academic Team. She has been a member of the band throughout high school and has held the positions of both section leader and drum major. She has also been a member of the jazz band and indoor percussion. As a member of the Beta Club, Kimberly helped design the convention scrapbook and banner, and she also placed third in acrylic painting at state convention as a junior. She has been on the Superintendent's Honor Roll for seven semesters and has recieved Perfect Attendance Awards every high school year. Kimberly is currently undecided on a college but plans to major in microbiology and/or enviromental science.

## Tristan Summers

Throughout Tristan's four years at Hancock, he has accomplished many tasks he never would have imagined as he first walked through the common doors. He also found his true calling of becoming a writer. Being a member of National Honor Society, National Thespian Honor Society, Drama Club, Speech and Debate, and Student Council has allowed him to mature into the young adult that he is today. His logic is "Being an involved student is just as important as getting good grades." Along being involved in school, he is very involved in his community. He has taught upcoming children of theatre the true nature of theatre, cleaned up the Gulf Coast, and helped to preserve the community's security. He would like to thank all his teachers, both inside and outside the classroom, for the years of his high school career. Tristan Summer's next plan is to attend MSU to major in engineering and minor in play writing.

## Nicki Relan

Nicki has been an active member of Future Business Leaders of America, Drama Club/Thespian Honor Society, Fellowship of Christian Athletes, Students Against Destructive Decisions, National Honor Society, Morning News Team, Student Council, and History and Government Club. She's been an officer for FCA, FBLA, Drama Club, and National Honor Society. She's also been a member of the Talons Dance Team and captain for two years. Nicki has been awarded as an All-Star Dancer at the All-American All star Camp and United Dance Association Camp. Also, she has been a cast member for her state-advancing theatre production group for four consecutive years. Nicki has advanced through district and state FBLA competitions four consecutive years and advanced to the national level in a "Business Plan" competition. She's been named Best Dancer, Academic Award, and Talon of the Year of the Talons Dance Team. Also, she was a Junior and Senior Homecoming Maid and Junior and Senior Sweetheart Pageant "Sweetheart." Outside of school, Nicki is a dancer and competition member at The Dance Company. She plans to attend the University of Southern Mississippi as an Honors College Student to pursue a nursing degree. Her advice to the underclassmen would be to Do it Big or Go Home!

Wow! How THESE 17 YEARS HAVE PASSED SO QUICKLY. IT SEEMS AS THOUGH IT WAS JUST YESTERDAY YOU WERE OUR LITTLE SUGAR LUMP. OVER THE YEARS YOU HAVE BECOME A BEAUTIFUL AND CARING YOUNG WOMAN. WE ARE SO PROUD OF YOU AND ALL OF YOUR ACCOMPLISHMENTS. WE KNOW THAT YOU WILL CONTINUE TO INSPIRE US AS YOU MOVE INTO THE NEXT CHAPTER OF YOUR ADULT LIFE. WE KNOW WITHOUT A DOUBT THAT YOU WILL MAKE A DIFFERENCE IN THIS WORLD. WE LOVE YOU!

Mom and Dad

PHILLIP your name is a reflection of your character.

Phenomenal  
Happy  
Inspiring  
Loyal  
Lovable  
Intelligent  
Polite

Now son as a man traveling further from home, we know you will continue to be:

All you want is to be and do, don't let the world be the person's dream.  
Blessed; because you're blessed, bless others as you have the opportunity.  
Careful; everyone won't love you with the same kind of love we have for you.  
Daring; life is an adventure so explore your world with great expectation.  
Excited; take delight in life's little pleasures every day of your life.  
Funny; laughter is contagious so laugh at yourself and the world smiles too.  
Generous; the best things in life are free so you can always afford it.  
Healthy; balance work, play and rest (and always eat right)!  
Inquisitive; reach beyond the obvious to discover life's hidden treasures.  
Joyful; joy turns stress into laughter and brightens everyone's day.  
Kind; consider the needs of others to be just as important as your own.  
Lovable; especially when others around you are not.  
Meaningful; you can make this world a better place because you were here.  
Noble; look beyond temporary pleasures and accomplish your long term goals.  
Optimistic; view minor failures and disappointments as learning experiences.  
Polite; respectful others and they will gladly overlook your imperfections.  
Quick; obey your own conscience avoid a crowd doing wrong.  
Resourceful; you have everything you need, but it may not be obvious.  
Strong; don't be afraid because the Lord your God will go with you.  
True; to yourself and do what is right even when its not convenient.  
Understanding; no one is perfect so give yourself and others a break.  
Victorious; how you face the challenge means more than if you win or lose.  
Wise; God gave you everything you need for life so accept it all gratefully.  
Xtrem; run into your new life with gusto and enjoy everything fully.  
Yourself; don't worry- what the crowd thinks and says is usually wrong.  
Zealous; do your best and then take plenty time to enjoy all your success.

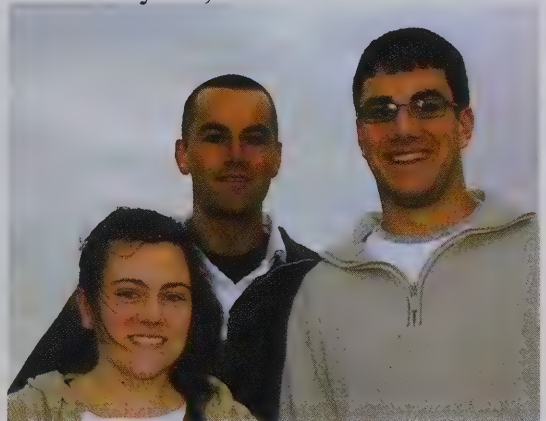

Now my son, as you enter the next phase of your journey in life, I wish you the best and I know that wonderful things are in store for you. ## JUSTIN,

I already miss running up and down the bleachers at Brett Favre Field, eating "dinner" from the concession stand and yelling for you to let you know

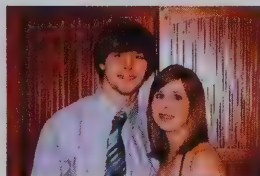

I was there watching you defend the Hawks' soccer goal. You are my #1 goalie & Bubba. I Love You.

Love, Madison

## MACI & JUSTIN:

Wow - how fast the time has gone by since we met ten years ago. I would not change the experience of watching both of you grow and become the young adults you are today for anything. As you begin a new journey on the next step of your adult lives I just want both of you to know how proud I am of you and everything you have accomplished so far. I could not have asked for any better "children" to come into my life and share the experience only some families are lucky enough to have. Just remember - to me you will always be my daughter and son, no matter where you are or what path life leads you on. REMAIN TRUE TO YOURSELF AND WORK HARD ON YOUR DREAMS AND YOU WILL ACCOMPLISH ANYTHING YOU SET OUT TO DO. I LOVE YOU BOTH, DADDY/MR. PETE

## Justin & Maci,

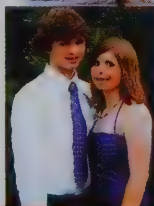

*When asked if I wanted to place a tribute in the yearbook, I was a little hesitant . . . I had no idea what I should say. I went to the internet and googled "sample wording for a senior tribute." Then I flipped through last year's yearbook and looked at the tributes there. Then I went to the dictionary and looked up the definition of tribute. All of a sudden it hit me! I do not need the internet, old yearbooks or the dictionary to tell me what to say. What I should tell you is what I want to be sure you know as you end this chapter of your life and begin a new one. So, here goes. I want you to know that . . . I AM VERY PROUD OF YOU - FOR YOUR ACCOMPLISHMENTS, YOUR ACHIEVEMENTS, YOUR DEDICATION, YOUR HARD WORK, AND FOR MAKING IT TO THIS DAY. MOST OF ALL I AM PROUD OF WHO YOU ARE! YOU ARE GOOD CHILDREN AND MY HEART IS FULL OF PRIDE WHEN I THINK OF YOU.*

*MINNIE - You are a remarkable young woman. You have kept your act together and excelled academically. You are a wonderful mother to Arleigh and a good friend to others. I feel very blessed to have you as my daughter. I am so glad you decided to follow your heart - you are going to be an awesome teacher!*

*SKILLET (#99) - I wish I had half the knowledge you have in that brain of yours. Put it to good use, son. You have so much potential! My wish for you is happiness in whatever it is you choose to do in life. Maybe someday I'll dine at your restaurant, or watch you on television hosting a cooking show or maybe even be a fan in the stands watching you play professional soccer. Who knows? Only you have control of your destiny.*

**I LOVE BOTH OF YOU VERY MUCH!**

Love, Mom

## Justin & Maci,

Congratulations on completing this milestone in your life. The future is very bright for both of you and we are proud of all that you have accomplished. Although you will be closing this chapter of your life, a new one is just around the corner.

## If I Knew

Bo Smith

But in case I might be wrong,  
and today is all I get  
I'd like to say how much I love you  
And I hope we never forget.

Tomorrow is not promised to anyone  
young or old alike.  
And today may be the last chance  
You get to hold your loved one tight.

So if you're waiting for tomorrow,  
Why not do it today?  
For if tomorrow never comes,  
You'll surely regret the day,

That you didn't take that extra time  
For a smile, a hug, or a kiss  
And you were too busy to grant someone  
What turned out to be their one last wish.

So hold your loved ones close today  
And whisper in their ear,  
Tell them how much you love them  
And that you'll always hold them dear.

Take time to say "I love you."

"Please forgive me," "Thank you," or "It's okay."  
And if tomorrow never comes,  
You'll have no regrets about today.

## Lill Steven

Steven was a wonderful caring person. He was always there to help anytime someone needed him. He had lots of friends who cared for him and miss him dearly. God took you suddenly from our lives but you will never be gone from our hearts. You will always be with us in our hearts. Death leaves a heartache no one can heal, Love leaves a memory no one can steal.

We will always love you son.
